THE Province of the Setting Sun

Announces its Fall Collegium Annex. As Part of the continuing Provincial Arts Program, the classes offered will be Applicque, taught by Mistress Amanda of Pawdor and Counted Cross Stitch, using waste Canvas, taught by Katrina of Dresden. This form of cross stitch and applicque are both most useful in the decoration of costumes and mundane clothing.

Both methods are inexpensive, authentic and very attractive.

The Annex will be held on Saturday, October 23, 1982 at the home of Eleanor of Almedan and Nakagawa Bengi. The address and telephone are as follows:

1376 No College, Fresno, California, 93728
(209) 486-1479

The session will begin at 1:00 P.M. and each class will run approximately two hours, with a short break in between classes.

There will be a fee of \$1.00 per person for the afternoon. Please fill out the reservation form below and return to Eleanor of Almedan by October 16, 1982. If there are any questions, please feel free to ask.
